 - 39 sq. cm / 6 sq. inches for clothing worn on the upper body (tracksuit jacket, polo shirt, t-shirt, vest, rain jacket); and

6. Branding on technical equipment (competition chairs, bikes, rackets etc)

- 6.1. Apart from the standard manufacturer's identification, technical equipment should be unbranded. IGF will consider exceptional cases where:
- additional branding represents the organisation that donated the technical equipment to the team and does not conflict with the 2017 Games' sponsors; and
 - the branding is not excessive.
- 6.2. This will be reviewed by IGF on a case-by-case basis.

7. Approvals

- 7.1. All nations are required to submit their proposed uniform designs to IGF for approval. **Please submit your designs before manufacture.** This will avoid incurring additional costs in the event that uniform has to be amended to comply with these guidelines or to avoid clashes with other team uniforms. You should submit designs as early as possible to allow time for amendments to be made (if needed) prior to manufacture.
- 7.2. Designs should be sent to Malgorzata Grzyb at malgorzata.grzyb@invictusgames.org
- 7.3. Any questions should be directed to Malgorzata Grzyb at malgorzata.grzyb@invictusgames.org
